ENTERTAINMENT STUNTS BY PARIS COMMERCIAL CLUB

The entertainment committee of the Paris Commercial Club has practically completed arrangements for the second big public forum meeting which will be held at the Y. M. C. A., Tuesday night, at 7:30 o'clock. A program combining entertainment, an address by a noted Chautauqua lecturer, some surprise "stunts," the annual election of officers, and a special treat for the ladies, promise to provide one of the most enjoyable evenings that Paris will have known for many months.

The entertainment committee, headed by Rudolph Davis, announces that Dr. John J. Tigert, of the University of Kentucky, has been procured to deliver his famous lecture on "Community Leadership." Dr. Tigert hardly needs an introduction to Paris people. His lecture was delivered on the Chautauqua platform last summer in more than a hundred cities. He recently completed a tour for the Radcliffe Chautauqua Bureau, of Washington, D. C., and his lecture was the feature of the program. The committee is highly elated over being able to offer this splendid address as part of the program.

Thirty minutes of vaudeville will be the opening feature of the program. Musical numbers will be presented by a trio composed of Mrs. H. B. Carr, soprano, Miss Lucille Chipley, pianist, and Bryant Doty, violinist. Fred Bassett, of the Power Grocery Company, black-face monologist, will be another of the splendid numbers arranged. Other features of the program will be held as "surprise stunts," but the committee gives assurance that they will evoke hearty guffaws from the grouchiest man in the audience.

At a meeting of the board of directors of the Commercial Club, held Tuesday night, the board decided to apply for membership in the United States Chamber of Commerce. This will entitle the club to the services furnished through the national headquarters at Washington, D. C., including special and confidential reports of business conditions and of government activities. Dr. A. H. Keller, City Health Officer, addressed the board on the city water system.

THE RED CROSS ROLL DOLLAR DRIVE

To attempt to emphasize the value of the Red Cross work would be superfluous. Everyone knows the character of this great organization, knows of its purposes and achievements, which, as works of mercy and helpfulness, stand unrivalled in the annals of human service.

The present call for subscriptions will be heard and responded to as have all others in this city. Here the appeals of the Red Cross have always met with a generous response on the part of the citizenship. Last year the Bourbon county Chapter stood away up in the list for promptness and for liberty. It is expected that this pre-eminence will be maintained this fall. The present "drive" should prove that the heart of the community is still with these doers of good works. A dollar so invested is a dollar dedicated to the very noblest uses.

The permanent character of the Red Cross organization is the best assurance that suffering continuously will be relieved by the intelligent ministrations of men and women who have dedicated themselves to its alleviation.

Dollars are often spent for things which bring small returns or none at all. But a dollar invested in the Red Cross at least will pay the dividend of satisfaction. The "drive" for the Fourth Red Cross Roll Call began on November 11, and will continue through November 24. Be one of the first to renew your membership.

BARN AND CONTENTS DESTROYED IN FIRE

A large tobacco and stock barn on the Lair pike, belonging to Jno. W. Switzer, of Harrison county, was destroyed by fire about seven o'clock Wednesday morning. When the fire was discovered it was too late to save the barn or anything in it.

The barn contained 13 acres of tobacco, 275 bales of hay, 150 bales of straw, farming implements and many other things. Only two bales of hay were saved, everything else being burned. There was no insurance on the contents of the barn, and only about \$1,000 on the building.

NAMED PAROLE REFEREE

Mrs. Owen L. Davis, of Paris, president of the Bourbon County Woman's Club, has appointed Mrs. Jno. Kiser as parole referee for Bourbon county. The appointment was made at the request of the Parole Board of the State Reform School at Greendale. Mrs. Kiser will have oversight of any paroled boy or girl within the county.

BOURBON CIRCUIT COURT

When Court opened Wednesday morning Judge Robert Lee Stout read his instruction to the jury in the case of Oscar Johnson, charged with the killing of Walter Rice, the taking of testimony having been completed on Tuesday afternoon at a late hour, when the Court adjourned. The trend of the testimony was to show mainly that Johnson, at the time of the killing, was under great mental strain, and that his act was the result of a distraught mentality.

At 9:30 after the conclusion of Judge Stout's readings, arguments for the prosecution and defense were begun. Oscar T. Hinton, for the defense, led, and was followed by Judge L. W. Bethurum, of London, Ky., for the prosecution. At the conclusion of Judge Bethurum's argument, the Court adjourned until one o'clock, when the second argument for the defense was made by Attorney Wallace Muir, of Lexington. Commonwealth's Attorney Victor Bradley followed for the prosecution.

The case was given to the jury about 3:10 o'clock. The jury immediately retired to consider their verdict. At 4:30 they filed in with their verdict, which was read, being as follows: "We, the jury, find the defendant guilty, and fix his punishment at confinement in the penitentiary for the period of his natural life." The prisoner, beyond a slight nervousness and pale countenance, showed no emotion over the verdict. Johnson was taken to the county jail, in charge of Jailer Taul, and Court adjourned until Thursday morning.

A motion for a new trial in the Johnson case will be argued during the present term of Court. This was the second trial of his case, the first resulting in a death sentence. An appeal was taken, and the Court of Appeals reversed the lower court, ordering the case sent back for a new trial.

The case of Bush Bishop vs. Chas. P. Mann and H. S. Redmon, doing business as the Paris Realty Co., occupied the time of the Court yesterday morning. The case went to the jury after exhaustive testimony and arguments. The jury returned a verdict finding in favor of the defendants.

Bishop brought suit for a large commission, alleged to be due him for his part in a farm sale made by the Paris Realty Co. The defendants contested the claim on the ground that Bishop had no part in the sale of the farm.

With the Johnson trial ended, the Court adjourned until this morning, at nine o'clock, all the juries being dismissed until then. The Court will take up consideration of criminal cases. The cases of Raymond Fryman and Charles O. Martin, for assault and cutting with intent to kill, is set for hearing on Monday.

A REMARKABLE COINCIDENCE

Mr. and Mrs. Arthur Lovell, of Loveland, Ohio, stopped over the end of the week for a visit to their mother, Mrs. Mary Lovell. They were called to Paris to attend the funeral and burial of Mr. Lovell's uncle, Mr. M. B. Lovell, who died at the home of his daughter Mrs. Schnick, in Beaumont, Texas, as noted in a recent issue of THE NEWS.

A coincidence is that Mr. Lovell was buried exactly twelve years to the day from the burial of his brother, Mr. W. A. Lovell, father of Arthur Lovell, who was for many years a resident of Paris and Cincinnati, but died in New Mexico. Only one sister of the two men is living, and their burials occurred on the anniversary of her birth. Mr. Arthur Lovell is prospering in the real estate business in Ohio, having his headquarters at Loveland.

The Bourbon county authorities and the Paris police have been notified to be on the look-out for Reese Bolen, aged twenty, of Lincoln county, and Henry P. Gault, 52, of Maysville, who escaped from the Eastern Kentucky Insane Hospital, at Lexington. The men broke a padlock off a door in the dining room of Ward 12, where they were working, and escaped.

Bolen is considered a dangerous character, it was said by the Hospital authorities, and a special effort is being made to apprehend him. The description given to the authorities is as follows: Bolen, twenty years old; six feet tall; dark hair and mustache; weighs 160 pounds; wore dark suit marked "Ward 12." Gault, 52 years old, five feet eight inches tall; light hair, turning gray; clothes marked "Ward 12."

BOURBON GUN CLUB

The regular weekly shoot of the Bourbon Gun Club will be held on the Club grounds, in East Paris, this (Friday) afternoon, beginning at one o'clock. A fine program of shooting events has been arranged for the afternoon, and all who come will be well rewarded for their trouble. If the weather is too inclement shelter will be provided for the contestants, so that the shoot will take place uninterrupted by the weather man.

The following invitation is extended to all shooters:

"Paris, Ky., Nov. 15, 1920. The Bourbon Gun Club will hold an all day target shoot on Tuesday, November 23, at their club grounds in East Paris. Shooting starts promptly at 9:00 a. m. This will be known as a Thanksgiving shoot. Live turkeys will be shot for no handicaps of any kind. Shooters will make up their own squads, and the winner of that squad gets a turkey. Each turkey shot for will be a fifty-target race. No one will be allowed to win more than one turkey, as more shooters will win turkeys in this way.

"All shooters, visitors and club members are eligible to shoot for turkeys, or if you prefer, you can shoot for targets only—no one barred.

"If the weather is bad we will have a large tent up on the grounds, with several stoves in it, that will make things nice and warm. All kinds of shells for sale on the grounds. This will be the last shoot of the season of the Bourbon Gun Club, so come and let's have a big day.

RUDOLPH DAVIS, Secretary.

QUESTION CLEARED UP

Paris Readers Can No Longer Doubt the Evidence

Again and again we have read of strangers in distant towns who have been cured by this or that medicine. But Paris' pertinent question has always been "Has anyone here in Paris been cured?" The word of a stranger living a hundred miles away may be true, but it cannot have the same weight with us as the word of our own citizens, whom we know and respect, and whose evidence we can so easily prove.

Geo. McCandles, Second street, Paris, says: "My kidneys were inactive and I had headaches. Doan's Kidney Pills put a stop to all the troubles and they gave me complete relief."

RALEIGH HOUSEWIFE IS ANOTHER OF THE MANY WHO HAVE BEEN HELPED BY TAKING RE-CU-MA

It seems folly for people to suffer nowadays in these enlightened times from such things as lazy liver, constipation, rheumatism, loss of vim and working ability when such quick and positive help can be had by taking a few doses of the herb and root medicine RE-CU-MA. It has helped thousands from the path of ill health to the road of recovery and to-day it is the fastest selling proprietary remedy in the South; this result has been accomplished solely as a result of the kind words of those who have been benefited from taking the same. Mrs. R. W. Young, of Raleigh, North Carolina, residing at 511 Person street, that city, has been greatly helped of a prolonged liver condition with all the usual signs of Dizziness, Headaches, Constipation, etc. Just a few doses was all that Mrs. Young found necessary to take; to-day she is feeling better than she has for years and gives all the credit to RE-CU-MA. You can get it at Brooks & Snapp, and all good stores for \$1.20 plus tax. (adv)

EPIDEMIC OF DIPHTHERIA THREATENING STATE

Dr. A. H. Keller, City Health Officer, and Dr. S. E. Evans, County Health Officer, have received letters from Dr. A. T. McCormick, of the State Board of Health, regarding the possibility of an epidemic of diphtheria in the State. He also sent them a bunch of circulars treating of the disease. The letter is as follows:

"My Dear Doctor:
"I am enclosing herewith several copies of the new diphtheria circular issued by the State Board of Health. Please mail one of these to the parents of each case of diphtheria as soon as reported. We are threatened with a State-wide epidemic of this serious disease, and I would suggest that you get your newspapers to urge that a physician be called as soon as white patches appear in the throat. Telephone or write your physicians, urging them to be on the lookout for early cases, and to administer large doses of anti-toxin promptly. It is very important that you should have a sufficient supply on hand at all times.

"Cordially Yours,
"A. T. McCORMICK,
"Collaborating Epidemiologist."
The source has as yet not appeared in this city or county, and if there are any cases they are of a light form. But the Paris physicians are fully prepared to cope successfully with any emergency that may arise.

EDITORIAL FLINGS OF THIS THAT 'EN 'TOTHER

There is a Kentuckian who is a pastor, and editor and lawyer. We suppose he preaches as an antidote to the practice of his two other professions.

Of course many Paris men look younger when they have a good set of teeth, even if they are false ones, but then it costs a great deal more to board them.

Others can do as they please, but personally we never expect to carry our money in a beaded bag as long as we've got a hip pocket with a buttoned flap to it. Yeah, boy!

They say the cost of Columbus' voyage of discovery to America was only \$1,000, but they fail to add that we've been paying for it ever since, plus the war tax. Yes, sud!

Personally we agree with William Jennings Bryan that the Democratic party should be reorganized for the next battle, but we are in favor of leaving him out of the organization.

We judge from Prohibition Commissioner Kramer's statement that he expects the home-brews to cure all taste for anything intoxicating in the next five years. He must have been sampling some of the stuff.

Our idea of a superman is one who can hold a lady's umbrella properly when escorting her through the rain or snow. A friend of ours says he has nearly drowned three girls by trying to protect them from the rain.

For the first time in the recollection of "the oldest inhabitant" Paris was covered with about three inches of snow, while the leaves of some of the trees remained green. There is more variety in the climate of this State than in any vaudeville theatre.

Not being Senator Harding's private secretary we can only guess at it, but still we would be willing to bet a few iron men that for every letter of congratulation the President-elect gets he receives 1,000 applications for jobs. Wait till he comes to the bunch that recently went out from Paris!

What's a name when Cupid plays a tune on the heart strings? The question was answered the other morning when a gentleman of color entered the County Clerk's office in the court house and expressed to Bally Paton a desire to obtain a marriage license. When asked the contracting party's name he was unable to respond. He knew his name was Nancy, and what else didn't matter. He didn't get his license then, but said he would go in search of the woman and get the rest of her name. He returned in about an hour, and the papers were fixed up—so was the colored man.

Mrs. Harp had for several years conducted a successful private school. For the past year she had been an invalid, being compelled by continued illness to give up her work. She was a woman of high intellectual attainments, beloved by all who knew her. She is survived by two brothers.

The funeral will be held Saturday afternoon at 1:45 o'clock at the home of Mrs. Dean, 226 Engman avenue, Lexington. Services will be conducted by Rev. J. W. AN UNUSUAL SNOW.
Beginning Tuesday night this city and country were visited by a snow-storm, said to have been a most unusual one for this early in the winter season. Although not a record-breaker, it was as heavy as had been recorded this early in the season. The snow attained an average depth of three inches, the greater part of it falling Tuesday night. Coring this early in the fall, the snow did no damage, the temperature remaining low. There was a change to warmer conditions yesterday and last night the great portion of the snow had melted into slush, making walking extremely disagreeable.

RABBITS ARE SCARCE
Bourbon county hunters who have visited Nicholas and Robertson counties, where game is usually abundant, report a great difference in the situation as compared to former years. They report rabbits scarce and quail almost entirely absent from the fields. Keen disappointment is being felt over the scarcity of game, especially rabbits. It is said there are fewer rabbits this year than for many seasons. The heavy rains of last summer and fall drowned many of the young rabbits. The quail crop is about an average. Rabbits are selling on the retail market in Paris at thirty-five and forty cents each, with ready sales.

CYNTHIANA DEFEATS PARIS
In the recent game of football at Cynthiana between the Paris High School team and the Cynthiana team, Cynthiana won out in the final dash by a score of 21 to 13. In a previous game on the local grounds the Paris team was victorious over their opponents by the close score of 7 to 0. In the last game Paris made two touchdowns in the entire game. During the struggle Marshall Moses, one of the Cynthiana players, had his shoulder broken. The Cynthiana Democrat's sporting editor makes the following comment on the game: "The Invincible Armada, in the form of the Paris High School football team encouraged over a record of having won all its games thus far this season, and entertaining the high ambition of attaching another scalp to its belt, invaded the sacred territory of the Cynthiana High School, fully confident of destroying completely its gallant defenders. But Paris returned to their own territory a crushed and defeated lot, while Cynthiana's scalp remained intact."

Rev. and Mrs. T. W. B. Demaree and daughter, Miss Alice Demaree, who were recent guests of Mr. and Mrs. Will G. McClintock, and other friends in this city, will leave soon to resume their missionary work in Japan. Rev. Demaree has spent thirty-one years of his life in Japan, and Mrs. Demaree has been there twenty-seven years. They were married there, and all their children were born in the Oriental land. The boys will remain in America, completing their education.

In Winchester recently at the First Methodist church a collection was taken to pay the remaining cost on a Ford car for the use of the missionaries and the cost of transportation to Japan. The total cost will be \$500, of which the men's class and the women's class have pledged \$100 each. The Sunday school of the Winchester church presented a car to Rev. and Mrs. Demaree four years ago. It was sold recently and the money applied to the purchase price of a new machine.

TAXES MUST BE PAID BY DECEMBER 1.

Sheriff Will G. McClintock has issued warning that the penalty for unpaid county and State taxes goes on December 1, and urges every property-owner to make settlement before that time. Sheriff McClintock says the taxes are being paid slowly and that taxpayers are in danger of being caught in a predicament of being compelled to pay the added penalty incurred by their negligence.

The taxes must be paid. There is no way to avoid it. So why neglect the matter and permit the penalty to be added? Pay your taxes now at the Sheriff's office in the court house.

Do You Step Out With Snap and Vigor? Are You Able to Get Things Done?

DON'T STAND IN YOUR OWN WAY

People With Thin, Weak Blood Have a Hard Time of It—They Should Take Pepto-Mangan

Look at the facts of your health. So much depends on having red blood. If you stand up in front of your work with half-starved blood in your system you are standing in your own way. You are blocking your own progress.

Thin blood makes you dull. It makes you pale. You take no enjoyment out of your work. It is only half as good as it should be.

You can remedy that condition so easily. Begin taking that fine tonic, Pepto-Mangan, to-day and keep it up for awhile. Your blood will become nourished. Pepto-Mangan makes red blood corpuscles. You will get energy and strong power of resistance. Instead of standing in your own way, you will push yourself ahead because of greater vitality.

But be sure you let the genuine Pepto-Mangan. It is put up in both liquid and tablet form. Ask for "Gude's" and be sure that the name is on the package. The tablets or the liquid have the same medicinal value.

A LETTER FOR WOMEN

From a Woman Whose Serious Illness Was Overcome by Lydia E. Pinkham's Vegetable Compound.

Garnett, Kas.—"I first took Lydia E. Pinkham's Vegetable Compound for a complete nervous breakdown following the birth of my oldest child. I got up too soon which caused serious female trouble. I was so weak that I was not able to be on my feet but very little and could not do my housework at all. I had a bad pain in my left side and it would pain terribly if I stepped off a curb-stone. One day one of your booklets was thrown in the yard and I read every word in it. There were so many who had been helped by your medicine that I wanted to try it and my husband went to town and got me a bottle. It seemed as though I felt relief after the second dose, so I kept on until I had taken five bottles and by that time I was as well as I could wish. About a year later I gave birth to a ten pound boy, and have had two more children since and my health has been fine. If I ever have trouble of any kind I am going to take your medicine for I give it all the praise for my good health. I always recommend your medicine whenever I can."—Mrs. EVA E. SHAY, Garnett, Kansas.

SAN DIEGO MAN GAINS 25 POUNDS

Was In Poor Health Twelve Years,
Six of Which He Could
Not Work.

"I have gained twenty-five pounds by taking Tanlac and now feel as full of strength and energy as I ever did," said G. I. Bicknell, 4453 Louisiana Street, San Diego, Cal.

"Twelve years ago, while in Mitchell, S. D., I suffered a general breakdown," continued Mr. Bicknell. "I lost weight and strength rapidly and my whole physical machinery seemed to go to pieces. I had no appetite and became nervous. I could get but little sleep. I had to take a laxative nearly every day and finally I became so weak and run down I had to quit work entirely and for six long years I was unable to do a thing. I tried lots of treatments and medicines, but none did me any good and I went to Denver, Col., for my health.

"While in Denver I began to read about Tanlac and started taking it. Soon I began to feel stronger and picked up in weight and my appetite improved. In all, I took eight bottles, and it put me back on my feet so completely that I went to work and have worked steadily ever since—sixteen months in Denver and then at San Diego, where I am on the job every day. Tanlac rid me of all my troubles and I advise any one who suffers as I did to take it."

Tanlac is sold in Paris at the People's Pharmacy. (adv)

Millions for a New Stomach

One of the greatest American millionaires said to his physician, "A million dollars, Doctor, spot cash and no grumbling, for a new stomach," and then the sick man groaned and turned away. All his wealth could not make him happy or contented, for happiness largely depends upon digestion. Without health where does happiness come in? After all the stomach plays a great part in everyday life. Without a healthy stomach and good digestion our blood is thin, watery and poor, our heart action is weak, our liver does not do its duty, and man is miserable and unhappy. Prevent disease by putting the house in order and strengthening the system against the germs of disease.

Dr. Pierce, of the Invalids' Hotel and Surgical Institute, at Buffalo, N. Y., years ago understood diseases and their prevention, and he discovered certain roots and herbs which were nature's remedies, and succeeded in putting them up in a form that could be easily procured at the drug store (liquid or tablets). This he called Dr. Pierce's Golden Medical Discovery. This Discovery gives no false stimulation because it contains no alcohol or any narcotic. It helps digestion and the assimilation of such elements in the food as are required for the blood. It gives to the blood the food elements the tissues require. For over fifty years it has enjoyed the confidence of the American public. Try it now!

HARDING'S STENOGRAPHER IS KENTUCKY WOMAN.

Kentucky will likely have representation in official White House circles during the administration of President-elect Harding in the person of Miss Cornelle Mattern, of Frankfort.

Miss Mattern, an expert stenographer, has been in the employ of Senator Harding for three years, and is at present traveling with his party during the Senator's vacation in Texas.

Miss Mattern was among the first young women to go to Washington and assume duties at the beginning of the World War. She was connected with the War Department. It was there that Senator Harding first saw her, and, observing her excellent work, engaged her as his private stenographer.

When Senator Harding went South for his vacation Miss Mattern accompanied the party, to assist in looking after his extensive correspondence. It is regarded as likely that Miss Mattern will continue her services during the President-elect's administration.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr.
Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

Meets the test and becomes more popular as cold weather arrives, because it starts quicker and gives more general satisfactory results at a time and under conditions when a good gasoline is appreciated.

We are thoroughly convinced of the superior quality of Blue Grass Gasoline and are anxious for our friends to make a trial comparison with it and any other gasoline they may be using, feeling confident that they will become a regular user of Blue Grass Gasoline—because it starts quicker, gives more power and mileage and better general satisfactory results.
